GARP | Global Association of Risk Professionals

Exam: November 2024

GARP ID:

Dear HARSH VARDHAN VYAS,

Congratulations! You passed the Financial Risk Manager (FRM®) Exam Part II

On behalf of GARP, the GARP Board of Trustees, and the FRM Committee, we commend you on this achievement. You can view a more detailed analysis of your results and performance by logging on to garp.org and going to "My Programs".

To complete the FRM Certification process, you will need to demonstrate two years of professional work experience. Once Certified, you may use the FRM designation on professional correspondences. Certified FRMs are also strongly advised to participate in GARP's Continuing Professional Development (CPD) program, which offers access to a broad range of accessible learning opportunities as well as the tools you need to track and document your activities. While participation in CPD is voluntary, the program is a great opportunity to stay up to date with industry trends and demonstrate commitment to the profession.

We wish you success in your risk management career.

Sincerely yours,

William May
